Hair!

ION JETT DOUBLE BARREL HAIR DRYER

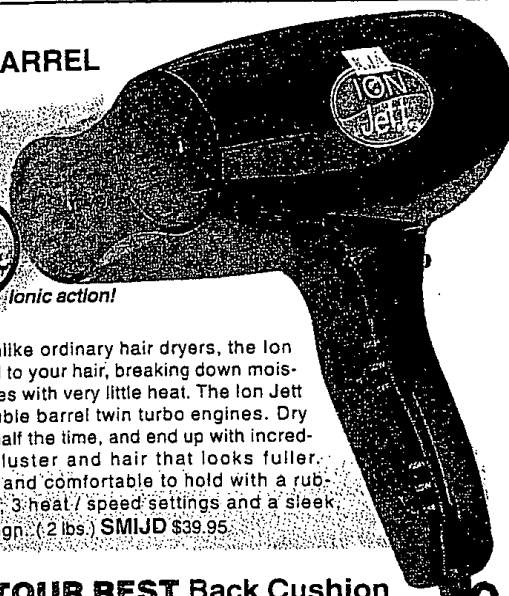

IONIZE YOUR HAIR!
DOUBLE THE SPEED
OF YOUR HAIR
DRYING TIME!

Now you can reap the benefits of double barrel 1875W drying power! The Igia Ion Jett Double Barrel hair dryer is your solution

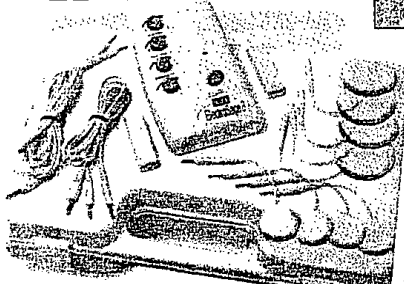

for speedy and low heat drying! Unlike ordinary hair dryers, the Ion Jett produces natural ions that bond to your hair, breaking down moisture molecules with very little heat. The Ion Jett now has double barrel twin turbo engines. Dry your hair in half the time, and end up with incredible shine, luster and hair that looks fuller. Lightweight and comfortable to hold with a rubberized grip, 3 heat / speed settings and a sleek modern design. (2 lbs.) **SMIJD** \$39.95

ionic action!

KICKSTART YOUR WORKOUT WITH IGIÁ ELECTROSAGE 8

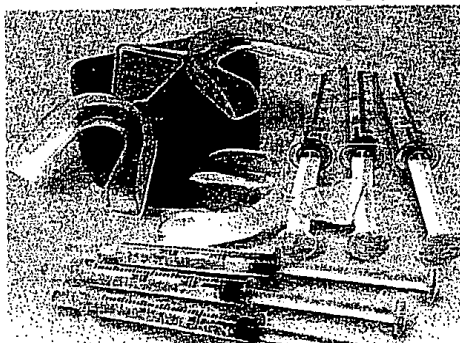

The ELECTROSAGE 8 Massage System has the advanced technology to massage your muscles without a sweaty work-out or if you are too tired to exercise. This work-out will become part of your daily routine. Simply attach the compact unit around your waist, position the self adhesive pads on the targeted muscles, adjust the levels and enjoy your massage work-out.

You will feel a massaging, tingling sensation. The compact massage system has 8 pads, 6 pads for larger muscle groups, 2 pads for the facial area, with 4 controls for maximum results and muscle gratification. You will feel relaxed, refreshed, revitalized and pampered. The ElectroSage unit comes

in a compact travel case with detailed instructions. (2 lbs.) **SMEED** \$89.95
